

# Reddyvac

## Heavy Duty Vacuum Cleaners

*The Reddyvac range of powerful industrial quality vacuums is purpose designed for the hire trade and other heavy-use applications. The range includes models for wet and dry use in factories, superstores, educational facilities, leisure centres and other demanding locations.*

### The Range

- Range of powerful motor options available giving ample power for any application
- Two and three motor models have individual switching for each motor
- Diffused exhaust air ensures that cleaning does not disturb dust
- 230 volt or 110 volt models available

### Reddyvac 9

- Robust dry-use only vacuum
- Durable stainless steel canister
- Useful 9 litre capacity
- Full set of tools supplied

### Reddyvac 30 / 60 / 90

- Range of capacities up to 90 litres
- Durable, heavy duty, non-corrosive plastic tanks which will not dent and are resistant to many chemicals.
- Exceptionally user-friendly
- Wet & dry tools supplied
- Fixed floor nozzle available
- Auto-suction shut-off when full
